## HAIL TO CALIFORNIA

Hail to California,

Alma Mater dear;

Sing the joyful chorus,

Sound it far and near.

Rallying round her banner,

We will never fail;

California, Alma Mater,

Hail! Hail! Hail!

Hail to California,

Queen in whom we're blest;

Spreading light and goodness

Over all the West.

Fighting 'neath her standard,

We shall sure prevail;

California, Alma Mater,

Hail! Hail! Hail!

*The Cal alma mater was written by Clinton R. "Brick" Morse, Class of 1896.*

## REGALIA

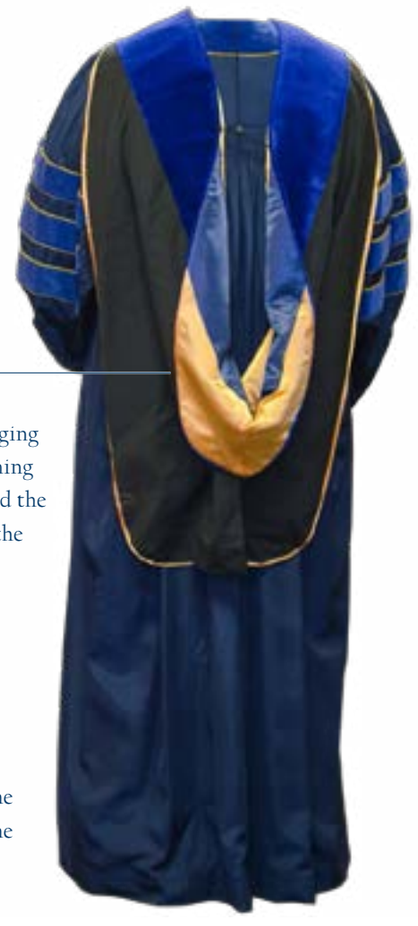
Here's a quick primer for decoding all of the academic regalia you'll see today.

**THE CAP** · Doctoral candidates wear velvet tams while bachelor's and master's candidates wear black mortar boards. All wear a single tassel.

**THE MACE** · The executive vice chancellor and provost leads the faculty procession and carries the ceremonial Berkeley mace, a tall staff that symbolizes UC Berkeley's authority to confer degrees. It is topped by a bear's head carved out of wood salvaged during a renovation of South Hall, the oldest building on Berkeley's campus, built in 1873. The provost also places the mace on the podium during the ceremony.

**THE GOWN** · Bachelor's candidates wear a traditional black or blue gown with long, pointed sleeves. Master's candidates wear a long black gown with oblong sleeves that are arched at the wrist and square cut at the bottom. Doctoral candidates wear a long, velvet-trimmed gown in black or another color with bell-shaped sleeves that have three velvet panels or chevrons on each arm.

**CHANCELLOR'S MEDAL** · Chancellor Richard K. Lyons wears the Chancellor's Medal, which is imprinted with the university seal.



**THE HOOD** · Master's and doctoral candidates wear velvet-lined hoods hanging from the back. The color of the hood's lining represents the institution that conferred the degree, while the velvet trim represents the field of study.

**UC BERKELEY COLORS** · UC Berkeley regalia is designed in the official University of California colors established by students in 1873. Berkeley Blue ■ symbolizes the ocean and local wildflowers. It is based on Yale Blue, since Yale University graduates were among the university's founders and early leaders. California Gold ■ was selected to represent the mining heritage of the "Golden State" of California and our state flower, the golden poppy.
